### ABOUT US

Reach the Beach is a weeklong attempt to spread the Good News at Revere Beach, Revere, Massachusetts, the First Public Beach in America. For the entire week we will be on the beach witnessing, handing out tracts, doing servant evangelism. Last year we handed out 3,000 pieces of literature, 2 cases of English bibles, 1 case of Spanish bibles, 1 case of Arabic bibles, and countless free water, coffee, snacks, and pastries. We also have music, drama, and other events to draw people to our tables with the goal of speaking with them about the gospel and praying with them.
